

Do I need to install anything to access the platform?

Last Modified on 06/08/2025 6:46 am EDT

Nope - you just need internet access!

Our database and functionalities are navigated through web-based applications, so all you need is a modern web browser and a stable internet connection. Our platform works on all major internet browsers (e.g. Google Chrome, Mozilla Firefox, etc.).

If you ever experience strange behaviour, try opening an incognito/private browsing window or clearing your cache.
